## Young Players in Senior Cricket

From 2010 there are new ECB regulations and guidance relating to young players in Open Age Group or senior cricket matches. The youngest age group at which young players may play in open age matches is Under 13, for which they must be recommended by a qualified ECB Coach and obtain expressed parental permission.

The young player(s) named below would benefit as part of their development as cricketers from playing in senior cricket at Henfield, either in the 3<sup>rd</sup> XI or Sunday 2<sup>nd</sup> XI or older age groups.

If you would like any reassurances as to what this involves and the safeguards we take, please do not hesitate to call me. The Senior Captains are CRB checked and understand their responsibilities for ensuring the welfare of young players in their charge.

If you are happy for them to be included, please would you sign and return this form to me as soon as possible.

Best regards

... Ken Scott
